Dear Parents,

Greetings from DAV International School Ahmedabad!

Each student has certain anxiety, certain confusion related to career choice. To ease their anxiety, the school is organizing a **CAREER FAIR** in the school premises on 31st Oct, 2018 (Wednesday) wherein the students and parents would get opportunity to meet different universities/ college representatives. This would help them to sensitize towards the **WORLD OF WORK** and broaden their horizon. There would be **CAREER TALKS** too on 21st century careers.

We request all the parents from Nursery to grade XII to visit the career fair on the time given below.

NOTE: It would be a holiday from Nursery to grade I on the day of Career Fair (31st Oct., 2018)

Following are the details of the career fair-

1. Timing- 9:00am to 1:00 pm.
2. Regular school from grade II to XII.
3. Parents can come along with their relatives/ friends.
4. Parents are requested to car pool to avoid traffic congestion.
