**Holiday Homework Class II**

**Session 2017-18**

**Dear Parents,**

Summer Vacation is here – a respite from the sweltering heat, an ocean of time to relax, to pursue hobbies & to spend time with dear ones. Many of you may have planned pleasure trips to salubrious hills, exotic wilds or places of pilgrimage. You can also utilize this period to instill in your child the virtues of ‘care and share’, ‘self-help’, ‘learn from environment’ and ‘cleanliness as Godliness’. Please keep him/her gainfully engaged in one meaningful activity or the other instead of lazing around & killing time.

***Wishing you & your wards an enriching & exhilarating vacation.***

### ***Guidelines for Parents***

- Encourage your child to cultivate reading habit because it not only enhances knowledge but also enriches the vocabulary, and improves language skills and spellings.
- Converse in English with your child.
- Spend quality time with your child engaging him/her in activities aimed at enhancing his/her powers of observation and imagination.
- Encourage your child to do activities himself/herself and appoint a specific time to do homework every day.

### ***Guidelines for Children***
