

September 5th, the birthday of Dr. Sarvapalli Radhakrishnan was celebrated in our school today.

The beginning of the day was marked by a Yajya performed by the staff. This was followed by a celebration . The performance of teachers on stage was memorable. Dance and music made the day explicable. On this occasion, the President of D.A.V. Committee delivered a message for all the members of D.A.V. family which was conveyed to us by Principal sir. The day further became exiting with fun games and enjoyment. It was a day worth remembering.
