

Roll No. 

--	--	--	--	--	--

Candidates must write the Set No. on the title page of the answer book.

## **SAHODAYA PRE BOARD EXAMINATION - 2023-24**

- Please check that this question paper contains **06** printed pages.
- Set number given on the right-hand side of the question paper should be written on the title page of the answer book by the candidates.
- Check that this question paper contains **34** questions.
- Write down the Serial Number of the question in the left side of the margin before attempting it.
- 15 minutes time has been allotted to read this question paper. The question paper will be distributed 15 minutes prior to the commencement of the examination. The students will read the question paper only and will not write any answer on the answer script during this period. Students should not write anything in the question paper.

### **CLASS- XII**

#### **SUB : PHYSICAL EDUCATION (048)**

**Time Allowed: 3 Hours****Maximum Marks : 70****General Instructions :**

- 1 The question paper consists of 5 sections and 34 Questions.
- 2 Section A consists of question 1-18 carrying 1 mark each and is multiple choice questions. All questions are compulsory.
- 3 Sections B consists of questions 19-23 carrying 2 marks each and are very short answer types and should not exceed 60-90 words. There is internal choice available.
- 4 Sections C consists of Questions 24-28 carrying 3 marks each and are short answer types and should not exceed 100-150 words. There is internal choice available.
- 5 Sections D consists of Questions 29-31 carrying 4 marks each and are case studies. There is internal choice available.
- 6 Section E consists of Questions 32-34 carrying 5 marks each and are short answer types and should not exceed 200-300 words. There is internal choice available

## SECTION -A

1. Identify the asana.

- a) Bhujangasana      b) Dhanurasana      c) Pushchimatasana      d) Vakrasana

2. Which of the following is a legitimate behavior?

- a) Hostile Aggression      b) Instrumental Aggression  
c) Assertiveness      d) Proactive Aggression

3. Acceleration of an object will increase as the net force increases depending on its:

- a) Density      b) Mass      c) Shape      d) Volume

4. It is the fracture which occurs when a bone bends and cracks, instead of breaking completely into separate pieces.

- a) Transverse fracture      b) Comminuted fracture  
c) Greenstick fracture      d) Stress fracture

5. Given below are two statements, one of which is labelled as Assertion (A) and the other is labelled as Reason (R).

Assertion (A): The maximum strength used by the player in a single effort is called maximum strength.

Reason (R): When the muscles are capable of working on strength for a longer time, we call it explosive strength.

Which one of the following statement is correct?

- a) Both (A) and (R) are true, but (R) is the correct explanation of (A).  
b) Both (A) and (R) are true and (R) is not the correct explanation of (A).  
c) (A) is true, but (R) is false.  
d) (A) is false, but (R) is true.

6. Flexibility is determined by elasticity of muscles, tendons and \_\_\_\_\_

- a) cell      b) skin      c) ligaments      d) tissue

7. The amount of blood pumped out by left ventricle per minute :

- a) Stroke volume      b) Systolic pressure      c) Cardiac output      d) None of these

12. Bhujangasana means  
 a) Horse pose                      b) Frog pose                      c) Cobra pose                      d) None of these
13. ABC School is one of the reputed schools in their location for the number of sports facilities it provides to its stake holders. Keeping that in consideration CBSE Sports cell has given them the responsibility of conducting CBSE Football tournament on elimination format. A total of 35 teams have sent their entry for participation in the tournament.  
 The number of matches in the first round will be \_\_\_\_\_  
 a) 4                                      b) 12                                      c) 3                                      d) 6
14. If  $N = 12$ , then what will be the total number of matches in Round Robin format?  
 a) 60                                      b) 63                                      c) 11                                      d) 66
15. The logo “Happiness” for all the children of the world belongs to-  
 a) Summer Olympics      b) Deaflympics                      c) Special Olympics      d) Paralympics
