

Dated : 3<sup>rd</sup> April 2020

**Subject: COVID-19 - Stay Safe**

Dear Parents and Students

Please refer to Circular dated 3<sup>rd</sup> April 2020 received from CBSE, containing following information, pertaining the joint measures to be undertaken to enhance body's internal defense system.

**Arogya Setu App and Light Candle at 9.00 p.m for 9 minutes on 5<sup>th</sup> April 2020.**

Arogya Setu App has been developed to fight against COVID-19. This App can be downloaded from [http://cbse.nic.in/newsite/attach/Lightcandle\\_03042020.pdf](http://cbse.nic.in/newsite/attach/Lightcandle_03042020.pdf)

Ministry of Ayush has developed a protocol for immunity boosting measures for best care of children. Kindly download the brochure from [http://cbse.nic.in/newsite/attach/BrochureofAYUSHMinistry\\_03042020.pdf](http://cbse.nic.in/newsite/attach/BrochureofAYUSHMinistry_03042020.pdf) to follow some receptive steps to stay safe during COVID-19 Pandemic. Students may light a Candle, Diya or Torch for 9 minutes at 9 p.m. on 5<sup>th</sup> April 2020, to realize the power of light, and to highlight the objective for which we all are fighting together.

**Kindly avoid assembling in colonies or roads or outside your houses.**

Regards  
Mrs. Pooja Prakash  
Principal

# AYURVEDA'S IMMUNITY BOOSTING MEASURES FOR SELF CARE DURING COVID 19 CRISIS

## SIMPLE AYURVEDIC PROCEDURES

Nasal application - Apply sesame oil / coconut oil or Ghee in both the nostrils (Pratimarsh Nasya) in morning and evening

Oil pulling therapy - Take 1 tablespoon sesame or coconut oil in mouth. Do not drink, swish in the mouth for 2 to 3 minutes and spit it off followed by warm water rinse. This can be done once or twice a day

## DURING SORE THROAT/ DRY COUGH

Steam inhalation with fresh Pudina (Mint) leaves or Ajwain (Caraway seeds) can be practiced once a day

Lavang (Clove) powder mixed with natural sugar / honey can be taken 2-3 times a day (It is best to consult a doctor if symptoms of dry cough and sore throat persist)

*Note: Ayurveda is the science of life and it propagates the gifts of nature in maintaining healthy and happy living*

# AYURVEDA'S IMMUNITY BOOSTING MEASURES FOR SELF CARE DURING COVID 19 CRISIS

In the wake of the Covid 19 outbreak, entire mankind across the globe is suffering. Enhancing the body's natural defence system (Immunity) plays an important role in maintaining optimum health.

We all know that prevention is better than cure. While there is no medicine for COVID-19 as of now, it will be good to take preventive measures which boost our immunity in these times.

Ayurveda, being the science of life, propagates the gifts of nature in maintaining healthy and happy living. Ayurveda's extensive knowledge base on preventive care, derives from the concepts of "*Dinacharya*" - daily regimes and "*Ritucharya*" - Seasonal regimes to maintain healthy life. It is a totally plant-based science. The simplicity of awareness about oneself and the harmony each individual can achieve by uplifting and maintaining his or her immunity is emphasized across Ayurveda's classical scriptures.

Ministry of AYUSH recommends certain self-care guidelines for preventive health measures and boosting immunity with special reference to respiratory health. These are supported by Ayurvedic literature and scientific publications.

## AYURVEDA'S IMMUNITY BOOSTING MEASURES FOR SELF CARE DURING COVID 19 CRISIS

# GENERAL MEASURES TO ENHANCE THE BODY'S NATURAL DEFENCE SYSTEM

-  1 Drink warm water throughout the day
-  2 Daily practice of Yogasana, Pranayama and meditation for at least 30 minutes
-  3 Use Haldi (Turmeric), Jeera (Cumin), Dhaniya (Coriander) and Lahsun (Garlic) in cooking

Graphic: 2/4

*Note: In Ayurvedic practice, preventive care revolves around "Dinacharya" - daily regimes and "Ritucharya"- seasonal regimes*
